

## History of the Senior Parents Gifts Program

The Senior Parent Gifts Program invites parents and families of seniors to make an extraordinary gift in recognition of and in appreciation for their children's CA experience. For many years the tradition of this legacy gift has bolstered the school's endowment and facilities in critical areas. Today's students are the everyday beneficiaries of past families' generosity. The 2015 senior parents will make an enduring contribution to Concord Academy by advancing teaching excellence at Concord Academy.
