

## Dear Families,

We are excited to welcome your child to Wheeler House! Over this coming year, we look forward to meeting and communicating with you to ensure that your child is safe, healthy, and happy. We strive to create a comfortable setting that allows your child to excel at Concord Academy — socially, emotionally, and academically. We are the daily adult presence in your child's "home away from home," providing adult supervision, setting limits, offering guidance and support, and caring for your child within the house.

We would like to take this opportunity to introduce ourselves and this amazing place we call home.

### Wheeler House:

**Sabrina Sadique:** Sabrina lives on the third floor of Wheeler with her verdant family of plants! Sabrina has been teaching English at CA since the fall of 2016. This is her second year as a house faculty member at Wheeler. When she is not teaching, she may be found biking through the Minuteman Bikeway or writing poetry.

**Nick Hiebert:** Nick teaches English at CA and has worked as a house faculty member in Wheeler for the past six years. This year he'll serve as a Wheeler affiliate. Nick lives on campus with his partner, Ellie, who works in the health center and coaches CA's hurdlers on the track team. Sabrina is the Lead House Faculty in Wheeler this year.

**Nancy Boutilier & Christa Champion:** Nancy and Christa share their second floor apartment in Wheeler with an adorable little Labradox named Kovick—she is part Lab / part Dachshund / part mystery! Both Nancy and Christa are writers, enjoy making music, and love to go hiking & backpacking whenever they can.

Monica, her husband Scott, their 6 year old daughter Izzy will be living on the first floor surrounded by a plethora of plants. Scott works in the greater Boston area for a company that focuses on business-to-state database management, document processing, and finance. In his spare time, Scott likes to cook which he is excited about sharing with the students in the house! In Monica's spare time she likes to do all things art related along with physical exercise.

**Ed Rafferty:** Ed Rafferty has been at CA for 13 years, as a history teacher for the last seven.
