Religious Holiday Practice at CA

At Concord Academy, we believe and affirm that all people have the right to exist as their most authentic selves, recognizing the diverse population of students and adults who observe religious and spiritual traditions. While we strive to support all of our community members in the practice and celebration of their faiths, we acknowledge that our traditional independent school calendar often facilitates the observance of Christian holidays more frequently than those of other faith traditions. Therefore, we would like to empower students and adults to be in communication when they may need an adjustment to planned meetings and deadlines, and ask that community members extend grace towards those adjustments. These practices are deeply significant and restorative, and we ask that teachers and students collaborate around accommodations that will best support our peers and colleagues in their observance. We encourage students to work with their advisors as they balance school, individual, and family commitments, and to reach out to the Academic Office if they need additional support. We likewise encourage faculty and staff to work with their supervisor as needed.
