A Bookstore/Activities Account Grant of \$1,150 (for day students) or \$1,550 (for boarding students) is offered to help defray the cost of additional expenses such as books, class fees, standardized testing, class rings, athletic equipment, student activities and entertainment, fundraisers, and house snacks. This grant increases each year.

Students who wish to purchase their own computer or tablet for school use will be eligible to receive a one-time grant from the financial aid fund to help defray this cost. The reimbursement is up to \$900 and is related to the percentage of the tuition grant.
